Todd,

Had a fun year.
Thanks for the Jokes.
& the money too. Geography
was fun. hope to see you this
summer and next's year. Good Luck.

Love Jody

Todd,

Don't pick-on too much,
have a good summer, &

PRINCIPAL'S MESSAGE

We of the older generation are hopeful of your success. We know that you have new fields to conquer and that you will make for us a new world — one in which we can all live in peace with one another. If you accomplish this, then those who follow will find it an easier path upon which to travel and you will find it was all worthwhile.

We of the faculty join with your family and friends in wishing you success and happiness.

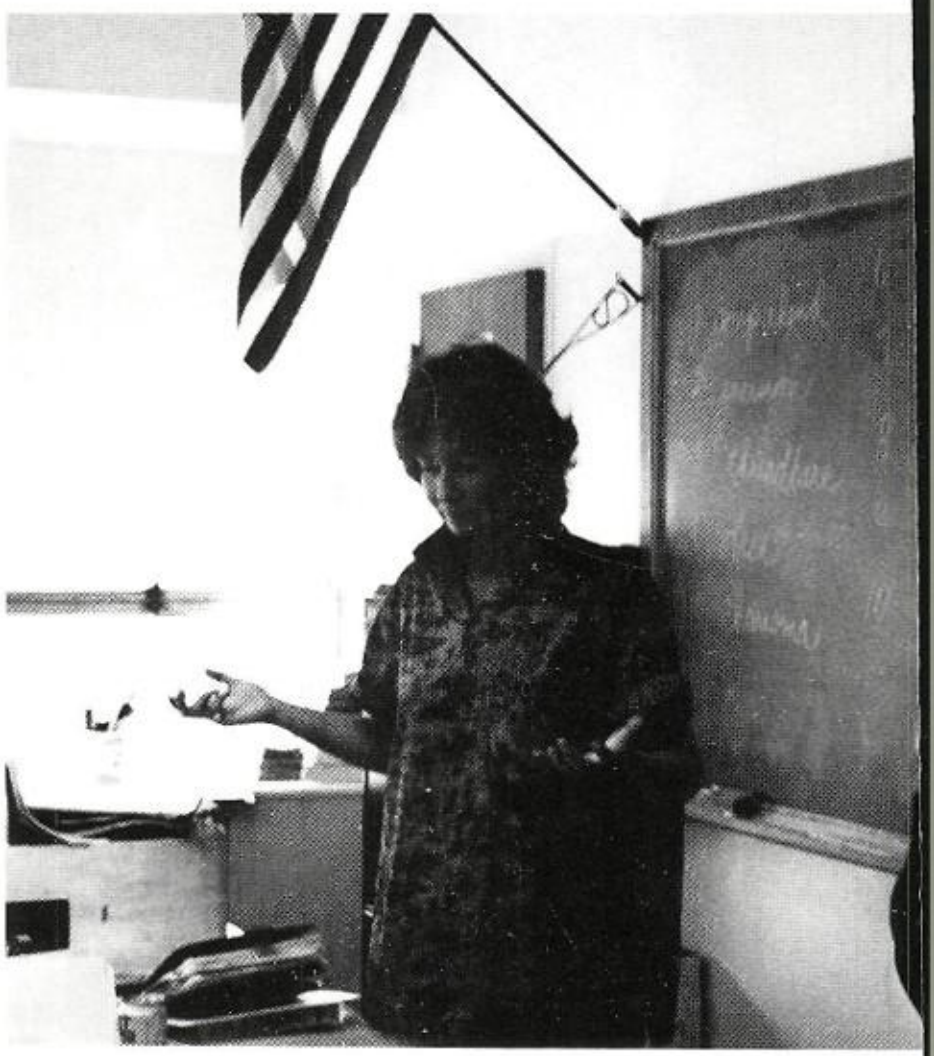
Congratulations to each of you — the Class of 1988!

SCHOOL BOARD

Seated: Joyce A Weeks, Linda-Lou Hallowell, Diane L. Share, Chairperson, Frank Slover, Vice Chairperson, Charles L. Vaughn, Suzanne Fuller, Assistant Superintendent, Patricia Wojhar, Secretary to the Superintendent.
Standing: Timothy Monahan, Superintendent, Joseph A. Bove, Business Manager, Thomas P. Ahearn, Charles A. Griffin, Bernie Pelech, Frank W. Yeaw, John F. Sullivan, Harold Whitehouse, Jr., absent, Susan Thorasen.

DEDICATION

MARY CAREY FOLEY



Thanks

We, the class of nineteen hundred and eighty-eight dedicate our yearbook to Mary Foley. We thank her for the hundreds of hours she has put in over the years and for going the extra mile without being asked. As our class adviser she watched the transformation of our class from "geeky" freshmen to "responsible" young adults. We thank her for all her help and hope that her future memories of our class are good ones.

Constitution of the United States

1787-88

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Prosterity, do ordain and establish this Constitution for the United States of America.

ADVANCED PLACEMENT PROGRAM — NH VOCATIONAL-TECHNICAL COLLEGE, STRATHAM AND PORTSMOUTH HIGH SCHOOL, 1987-88

Richard Meek and Matthew Levesque are graduates of the Advanced Placement Program, majoring in Electro-Mechanical Drafting. The program is co-sponsored by Portsmouth High School and the NH Vocational-Technical College, Stratham. Participation allows selected students to acquire academic credit for their first year of college. These credits are also accepted for their senior year at Portsmouth High School. The program is maintained by the NH State Board of Education, NH State Vocational-Technical Advisory Committee, Portsmouth Board of Education, and the NH Vocational-Technical Board of Governors. All courses of study offered in the Advanced Placement Program are Associate Degree Programs and students are eligible for scholarships through Portsmouth High School. The participants spend their senior year at the College and return to the High School in June to graduate with their class. They enter their second year of college the following September. The program is especially appropriate for students interested in pursuing the following career fields: Nursing, Electronics Technology, Automotive Technology, Electro-Mechanical Drafting, and Machine Tool Processes. Anyone interested in additional details may call the PHS Vocational Office, or the President of the New Hampshire Vocational-Technical College, Stratham.

The 1987 Clipper Golfers compiled a regular season record of 23-3 and finished in second place behind Keene (21-2) in the final standings. In the schoolboy tournament at Abenaqui Country Club, the Clippers placed third, eight strokes behind team champion Concord. Tim Robbins was selected most valuable player during the regular season, and Dave Dorrow was the MVP in the post-season tourney.

Madrigal Singers

The Madrigal Singers rehearse after school and perform for any outside school functions. The Retired Teachers Association, AARP, church groups and civic organizations are among many audiences who have enjoyed the Madrigal Singers.

DRAMA DEPARTMENT

The Drama Department last spring presented the classic American play, "I remember Mama." After a successful presentation in Portsmouth, a shortened version of the play was presented in the New Hampshire Drama Festival, where it was awarded first place as best play in the state as well as winning a special judges award for technical excellence. The play was later presented at the New England Drama Festival in Bar Harbor, Maine and was presented several awards. Portsmouth High School now holds a record in New England for placing more productions than any other school in New England.

This fall, the Drama Department presented the 1960's song retrospective "Leader of the Pack." This show was presented for three nights to large audiences.

An integral part of the Drama Department are the many students who serve on the technical staff for the productions. Without them and their dedication to the backstage work, none of the shows would be possible.

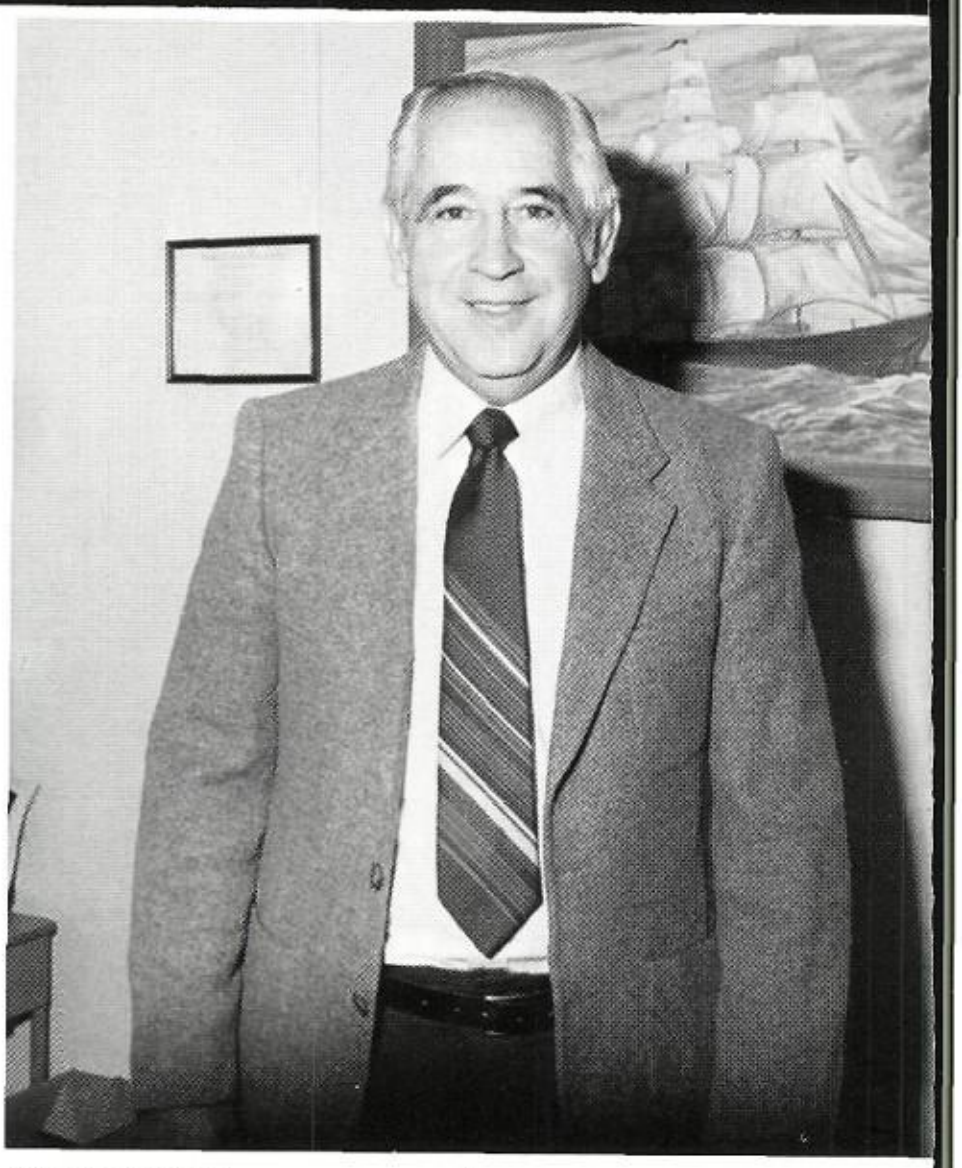
Mr. Lloyd has been a grade principal at PHS for four,five,or possibly seven years according to a poll of staff members.He loves to play golf and his cart is a two-tone yellow.



Walter Novak

Mr. Novak is the grade principal for the freshmen a juniors.Nobody seems to to know how long he has be here,our best guess would be five years or more.In fact t only information found on him was that he was born on t twenty-eighth of May,nineteen hundred and thirtytwo.

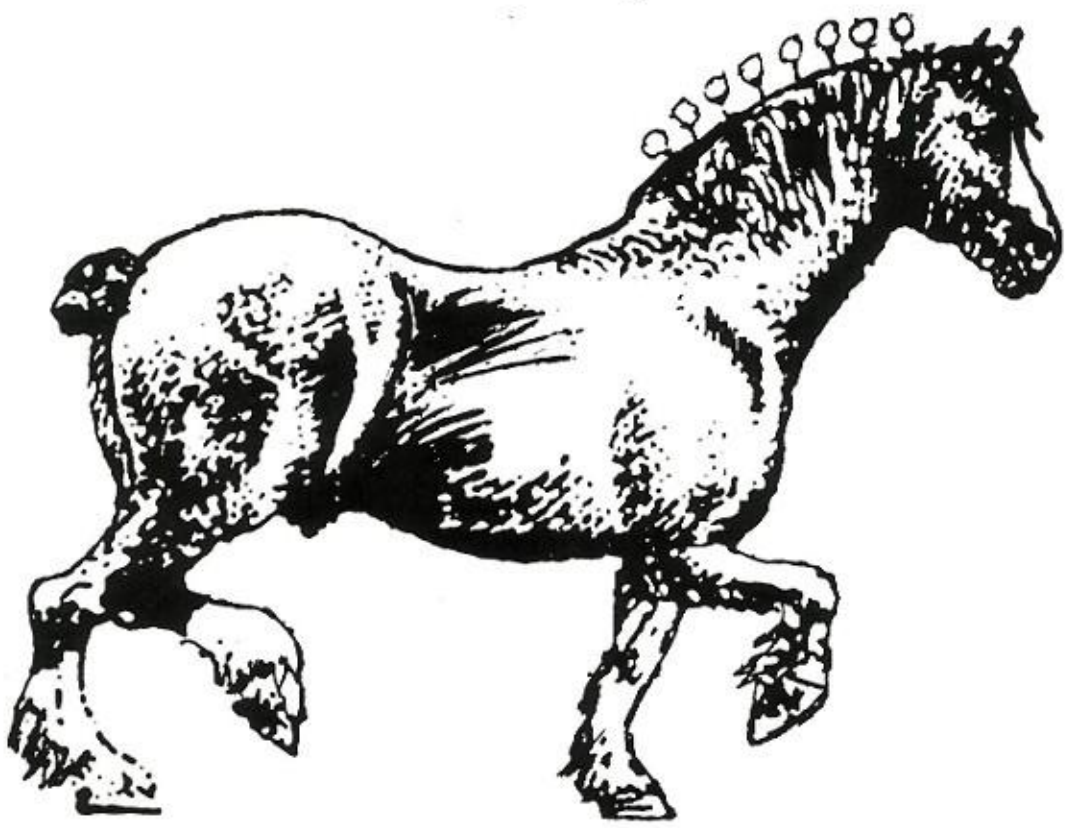
Clydesdale



The Clydesdale is the newest sign to the zodiac.They are known for not having a good sense of humor(save Mr.Grogan).Those under the sign of Clydesdale also seem to have an inability to fill out information sheets correctly and get perverse thrills by giving faculty editors a hard time.
